**NOTE:** Gun Kote 2400 Series 2404F Dark Earth was the original tan chosen by the US Military for desert operations.

This Color Chart is meant to be a close approximation of the actual color of the coating. Computer monitors may have a dramatic effect on how the color is displayed.

The 1600 Series High PTFE is available in black only.

Custom colors are available.

All colors shown are available in the 2400 Series. Most colors are available in satin and flat and in our Air Cure (1200 Series) and Ceramic Fill (3400 Series) Formulations.
